MISLED BY HIS SUBORDINATES,

Commissioner Changes Testilative Investigators.

"Commissioner," asked Prof. Collin,

our correction this morning?"
"Yes," replied Commissioner Coggey.
"Then as a matter of fact you don't low of your own personal broad of your own personal br "have you relied on your auditor for

know of your own personal knowledge whether your statement of this morning or your statement of yesterday is the correct one? "No," admitted the Commissioner.

Assemblyman Oliver, another member of the committee asked if the Commissioner's time was not mostly taken stitutions in his department, and the Commissioner said it was.

'Commissioner Coggey," said Senator Cassidy, "you testified yesterday, did you not, that you could not swear that you visited each of the institutions "Yes," replied the Commissioner.

Auditor John P. Dreyer, of the Department of Correction, the next witness, told of the methods of making requisitions, general and special, for latter requisitions, he explained, were for such immediate needs as might arise. He declared that it was th duty of the storekeeper to pass upon all wardens' requisitions for supplies. of a warden to be denied?" asked Prof

Q. Do you know whether the same firm or corporation has received all meat contracts for a year? A. There were two contracts,
Q. Both with the same firm? A. Yes,
Q. Amounting to how much? A. One of \$115,000 and the other for \$26,000.

The witness testified that last year contracts were with the same firm.

Price of Spring Water.

Q. Do you order spring water? A. For he central office only. Q. How much do you pay for it? A. Three dollars a month—six cents a on.
What would you say to a bill for ing water at \$1 per gallon reaching Comproller's office? A. Not from office.
Did you ever pay more than six s? A. Yes: ten cents.
The Comptroller wouldn't pass the and you got the water cheaper? We get it from another party.

Investors Will Gain the Gratitude of 14,000 Poor Children.

TRACTIONS LEAD A

Most of the Prominent Issues Share Gains in an Active Market.

American Smelting was the feature of mony Given Before Legis-lative Investigators.

an exciting opening in the stock market to-day, in which losses ran to a point. The railroads joined with the industrials Corrections, was again a witness to day before the Legislative Committee ing figure. Trading was exceptionally

Prof. Collin, counsel to the movement was directed at American committee, that there was contained in Smelting and that issue yielded over stock on hand or of the value of such and Steel in the industrials and the stock on hand or "in store, Harriman shares in the railroad list "You swore yesterday," said Senator were the main losers. Trading continued

Cassidy, of the Committee, "that your estimate contained a statement of the stock on hand. Does it?"
"No."

Commissioner Coggey said that he had relied on his auditor and other subordinates.

The total sales of stocks were 1,04,000 shares and of bonds \$5,000,000.
